2020 Rotary Baseball Information

You're invited to play baseball with the Clinton County Family YMCA's regional travel Rotary Baseball team. We are excited to kick off the season for these middle school students. Here is some general information to give you an idea of what to expect:

1. The cost is \$100 and includes a hat and jersey. Registration closes February 28th and you can register at the Y. Program scholarships are available to help cut down the registration fee, just ask! If you would like to be a coach your child will receive a waived registration fee.
2. We will have one team of 12 players for the 2020 season
3. We will begin indoor practices at the beginning of March. Once registration closes and we have confirmed players and coaches we will be giving you a call to confirm practice days and times. We will most likely limit this to one day per week until we begin outdoor practices.
4. Outdoor practices will begin the week after Spring Break and will take place at the Rotary Baseball Field in TPA Park. Indoor practice will take place at the Y.
5. We will be playing primarily on weekdays; however, there are a few Saturday games scheduled. Below is a tentative schedule – there is a chance that additional games will be scheduled. You will be provided with an updated schedule in March.
6. Questions about this program can be directed to Program Director, Amanda Harness.

2020 Game Schedule (Tentative)

April 6th @ Home VS. Lebanon – 6:00 PM
