## OUR MISSION

To put Christian Principles into practice through programs that build healthy Spirit, Mind and Body for all.

The Y is the unparalleled cause for strengthening community because we are the community. We are a powerful association of men, women and children joined together by a shared commitment to nurturing the potential of kids, promoting healthy living and fostering a sense of social responsibility.

We believe that lasting personal and social change can only come about when we all work together to invest in our kids, our health and our neighbors. That's why, at the Y, strengthening community is our cause.

Every day, we work side by side with our neighbors in our community to make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive.

The YMCA represents many things to many people, but above all else the YMCA in Clinton County is where Christian Principles are put into practice through programs that build a healthy Spirit, Mind and Body for all. Thank you for your membership!
